## FUNCTIONS & PARTIES.

***Our whole thing with functions & parties is we want you & your whole group to all have a really great time !!***

***We also know organising them can be seriously painful for you.***

***So we've designed what we do to make sure it's as easy as possible for you to get things sorted & to provide plenty of options so we can help make it as cruisy, casual or formal as you'd like it to be.***

***As for how many folks we can host in our place... roughly about 100 seated or 130 casual cocktail style.***
